2026 International Students Application Guide

I. Prospective Students

Degree-seeking students (full-time undergraduates, master’s students, doctoral students)

II. Criteria & Eligibility

Applicants must be non-Chinese citizens with valid passports and be in good health both physically and mentally.

Applicants for undergraduate programs must be holders of high school diplomas or the equivalent of high school diplomas in China. Additionally, applicants are required to take the China Study Competency Assessment for Undergraduates (CSCA) before the application deadline. Test subjects are detailed in Part X of this guide, and the official schedule is available on the CSCA webpage in English (https://csca.cn/home).

Applicants for master programs must be the holders of bachelor degree or the equivalent of bachelor degree in China.

Applicants for doctoral programs must be the holders of master degree or the equivalent of master degree in China.

III. Duration of Program

Program	Duration of Program
Undergraduate Program	4-6 years
Master Program (academic)	3-5 years
Doctoral Program (academic)	4-6 years

IV. Fees& Account Information

Items		Fee (RMB)
Application Fee (Admitted applicants must pay the application fee by September 1st)		400 CNY
Tuition Fee	Undergraduate Programs	16,000 CNY/academic year
	Master Programs Taught in Chinese	20,000 CNY/academic year
	Master Programs Taught in English	25,000 CNY/academic year
	Doctoral Programs Taught in Chinese	24,000 CNY/academic year

	Doctoral Programs Taught in English	29,000 CNY/academic year
Accommodation Fee	Single room	8,000 CNY/student/academic year
	Double room	4,500 CNY/student/academic year
	quadruple room	2,000 CNY/student/academic year
Comprehensive Medical Insurance Expense		800 CNY/year

Foreign Applicants residing in China are requested to remit the payment to the following account:

Account Name	安徽农业大学
Bank of Deposit	中国银行合肥梅山路支行
Bank Account Number	178203469270

Overseas applicants are requested to remit to the following account:

Account Name	ANHUI AGRICULTURAL UNIVERSITY
Bank of Deposit	Bank of China, Hefei Meishan Road Branch
Bank Account Number	184216152717
SWIFT Code	BKCHCNBJ780
Address	No. 77 Meishan Road, Hefei City, Anhui Province, China

◆Please indicate the applicant's name, passport number, and words such as "application fee", "tuition fee", "accommodation fee" when remitting the payment, and submit the bank transfer receipt to the School of International Education, Anhui Agricultural University.

◆Applications without the application fee paid will not be accepted.

◆The application fee is non-refundable regardless of the admission outcome.

V. Scholarships

There are two types of scholarships: full scholarships and partial scholarships. If you are not awarded a full scholarship, you may still apply for a partial scholarship.

1. Full Scholarship: Chinese Government Scholarship

(1) Funding Coverage

◆Exempt from tuition fee and on-campus accommodation fee;

◆Monthly living allowance

— Academic Master degree students: 3,000 CNY/month

— Academic Doctoral degree students: 3,500 CNY/month

◆Comprehensive Medical Insurance

(2) Eligible Recipients: Full-time and full-degree postgraduate students (master students and doctoral students)

(3) Eligibility Requirements

◆Applicants must be non-Chinese citizens holding a valid foreign passports

and be in good health both physically and mentally.

◆ Applicants for master's programs must hold a bachelor's degree or an equivalent qualification to a Chinese bachelor degree, be or under 35 years of age.

◆Applicants for doctoral degree programs must hold a master's degree or an equivalent to a Chinese master's degree, and be or under 40 years of age.

2. Partial Scholarship

— Anhui Provincial Government Scholarship

— Anhui Agricultural University Scholarship

Applicants shall bear the costs of tuition fees, on-campus accommodation fees, living expenses, and comprehensive medical insurance for international students in China.

(1) Funding Coverage:

◆Undergraduate Programs: 20,000 yuan/year

◆Master Programs: 30,000 yuan/year

◆Doctoral Programs: 50,000 yuan/year

(2) Eligible Recipients: Full-time undergraduate, postgraduate students

(3) Eligibility Requirements:

Applicants must be non-Chinese citizens with valid passports and be in good health both physically and mentally.

◆Applicants for undergraduate programs must have a high school diploma or an educational qualification equivalent to a Chinese high school diploma.

◆ Applicants for master's programs must hold a bachelor's degree or an educational qualification equivalent to a Chinese bachelor's degree.

◆ Applicants for doctoral programs must hold a master's degree or an educational qualification equivalent to a Chinese master's degree.

VI. Application Date

Deadline for Full Scholarships: May 30th

Deadline for Partial Scholarships: June 20th

VII. Application Documents

Applicants for full-degree programs are required to provide the following documents:

a. Register via the International Student Application System of Anhui Agricultural University.
   Registration website: http://int.ahau.edu.cn/internationalEducationStudent

b. Applicants applying for full scholarships shall log in to the Online Application System for International Students of the China Scholarship Council (CSC): https://studyinchina.csc.edu.cn/#/register. Click Register, fill in the application information after logging in, submit the form online and print the Chinese Government Scholarship Application Form.

c. Notarized copy of the highest academic degree certificate. If the applicant is a current student, he/she shall additionally submit a student status and expected graduation certificate issued by the attending school. (Original graduation certificate and degree certificate must be supplemented upon registration and enrollment.) Documents in languages other than Chinese or English must be attached with notarized Chinese or English translations.
d. Academic transcripts. Transcripts in languages other than Chinese or English must be attached with notarized Chinese or English translations.
e. Applicants for full scholarships to programs taught in Chinese must provide a HSK Level 4 or higher certificate.
f. Study or research proposal (no less than 800 words), including but not limited to personal academic and professional experience, study or research plan, and post-graduation development goals (to be written in Chinese or English).
g. Letter(s) of recommendation: Applicants for master's or doctoral programs must submit at least two letters of recommendation from professors or associate professors. The letter(s) must include the following information: the recommender's academic title, affiliated institution, contact phone number, email address and signature. Documents in languages other than Chinese or English must be attached with notarized Chinese or English translations.
h. Medical examination report valid within six months. Applicants shall strictly complete all the items specified in the Foreigners' Physical Examination Form. A detailed blood test report must be provided. Any Foreigners' Physical Examination Form that is incomplete, without the applicant's photo, or lacks the attending physician's signature and hospital seal will be deemed invalid (the form must be filled out in English). Please keep the original copy with you when coming to China. (Download link for the form: https://gjjy.ahau.edu.cn/info/1481/7061.htm)
i. A copy of the applicant's passport. If the applicant is residing in China, a copy of the valid residence permit must also be provided.
j. Applicants for partial scholarships are required to submit a proof of financial guarantee to cover the expenses during their study period. (Download link for the form: https://gjjy.ahau.edu.cn/info/1481/7051.htm)
k. Certificate of no criminal record or equivalent document valid within six months. Documents in languages other than Chinese or English must be attached with notarized Chinese or English translations.
l. Applicants for English-taught programs must provide a valid English proficiency certificate with a score of IELTS 5.5 or above, TOEFL 69 or above, or other equivalent proof of English competence. Students whose native language is English or who have obtained a degree from an English-taught program in an English-speaking country are exempt from this requirement.

Applicants for full or partial scholarships to Chinese-taught programs must provide a HSK Level 4 or higher certificate at the time of application. For applicants of partial scholarships to Chinese-taught programs who have not yet reached HSK Level 4, they are required to take Chinese language training courses at our university and can only proceed to their major studies after passing the Chinese language training assessment. Students whose native language is Chinese or who graduated from a Chinese-taught program at a university in China are exempt from this certificate requirement.

m. Applicants for undergraduate programs must submit the transcript of the Chinese Scholarship Council Academic Assessment (CSCA).
This transcript is a mandatory document for undergraduate program applications and serves as an important quantitative basis for our university to evaluate applicants' academic ability. Please make thorough preparations for the assessment. For details of the test subjects, please refer to Section X "Undergraduate Programs" of this brochure. Applicants can log on to the official website (https://csca.cn/home) to inquire about specific registration methods and test arrangements. It is recommended to take the assessment and obtain the transcript as early as possible to allow sufficient time for subsequent application and review processes.
Kind Reminder: The date of the upcoming assessment is March 15th. Please pay close attention to the registration period on webiste: www.csca.cn.

n. Applicants under the age of 18 must submit the relevant legal documents of their legal guardian in China.

Note: Application documents sent by fax will not be accepted.
Incomplete documents will not be accepted.
Application documents will not be returned and the application fee is not refundable in any cases.

VIII. Admission

The Enrollment Review Committee for International Students of Anhui Agricultural University will conduct a fair and impartial review of each applicant’s documents and select candidates for admission based on merit. After the final admission list is confirmed, the university will notify applicants via the contact information they provided and send out the admission documents. All applicants are required to ensure that the contact details they fill in are accurate and error-free.

Any applicant found to have submitted forged or falsified documents will have their application eligibility revoked for the current academic year. Those who have already been admitted will have their admission qualification cancelled.

IX. Contact Us

Address: Room 222, Qinzheng Building, College of International Education, Anhui Agricultural University, No.130 West Changjiang Road, Hefei City, Anhui Province, P.R.China
Postal Code: 230036
Contact Person: Ms. Zhao
Phone: 0086-551-65787009
Fax: 0086-551-65787060

X. Programs

Undergraduate programs

School	Major	CSCA Test Subjects
School of Agronomy	Agronomy	Mathematics, STEM Chinese
	Biological Breeding Science	Mathematics, STEM Chinese
School of Plant Protection	Plant Protection	Mathematics, STEM Chinese
	Smart Agriculture	Mathematics, STEM Chinese
School of Horticulture	Horticulture	Mathematics, STEM Chinese
School of Forestry and Landscape Architecture	Urban and Rural Planning	Mathematics, STEM Chinese
	Landscape Architecture	Mathematics, STEM Chinese
	Forestry	Mathematics, STEM Chinese
	Environmental Arts Design	Mathematics, Humanities Chinese
School of Animal Science and Technology	Animal Science	Mathematics, STEM Chinese
	Aquaculture	Mathematics, STEM Chinese
School of Veterinary Medicine	Veterinary Medicine	Mathematics, STEM Chinese
School of Tea Science	Tea Science	Mathematics, STEM Chinese

School of Food and Nutrition	Food Hygiene and Nutrition	Mathematics, STEM Chinese
	Food Science and Engineering	Mathematics, STEM Chinese
School of Life Sciences	Biological Science	Mathematics, STEM Chinese
	Biopharmacy Engineering	Mathematics, STEM Chinese
	Biotechnology	Mathematics, STEM Chinese
School of Resources and Environment	Geospatial Information Engineering	Mathematics, STEM Chinese
	Agricultural Resources and Environment	Mathematics, STEM Chinese
	Environmental Science	Mathematics, STEM Chinese
	Ecology	Mathematics, STEM Chinese
	Environmental Science	Mathematics, STEM Chinese
School of Engineering	Intelligent Manufacturing Engineering	Mathematics, STEM Chinese
	Machine Design & Manufacturing and Automation	Mathematics, STEM Chinese
	Electrical Engineering and Automation	Mathematics, STEM Chinese
	Vehicle Engineering	Mathematics, STEM Chinese
	Agricultural Mechanization and Automation	Mathematics, STEM Chinese
	Agricultural Water Conservancy Engineering	Mathematics, STEM Chinese
	Civil Engineering	Mathematics, STEM Chinese
School of Materials and Chemistry	Wood Science and Engineering	Mathematics, STEM Chinese
	Materials Science and Engineering	Mathematics, STEM Chinese
	Textile Engineering	Mathematics, STEM Chinese
	Clothing Design and Engineering	Mathematics, STEM Chinese

	Applied Chemistry	Mathematics, STEM Chinese
School of Information and Artificial Intelligence	Telecom Engineering	Mathematics, STEM Chinese
	Computer Science and Technology	Mathematics, STEM Chinese
	Intelligence Science and Technology	Mathematics, STEM Chinese
	Electronic Information Engineering	Mathematics, STEM Chinese
	Logistics Engineering	Mathematics, STEM Chinese
	Applied Statistics	Mathematics, STEM Chinese
	Data Science and Big Data Technology	Mathematics, STEM Chinese
School of Economics and Management	Economics	Mathematics, Humanities Chinese
	Economics and Management of Agricultural and Forestry	Mathematics, Humanities Chinese
	International Economy and Trade	Mathematics, Humanities Chinese
	Accounting	Mathematics, Humanities Chinese
	Electronic Commerce	Mathematics, Humanities Chinese
	Finance	Mathematics, Humanities Chinese
	Land Resources Management	Mathematics, Humanities Chinese
	Digital Economy	Mathematics, Humanities Chinese
School of Humanities and Social Sciences	Social Work	Mathematics, Humanities Chinese
	Applied Psychology	Mathematics, Humanities Chinese
	Law	Mathematics, Humanities Chinese
	Chinese Language and Literature	Mathematics, Humanities Chinese

Note:

1）**Professional Chinese** is a compulsory subject. Among them, STEM Chinese is mandatory for science and engineering programs, while Humanities Chinese is mandatory for liberal arts programs.Applicants for the

undergraduate program in Chinese Language and Literature shall be exempted from the Specialized Chinese exam if they can provide a valid HSK Level 4 score report.

2）**Mathematics** is a compulsory subject for all programs, available in two test languages: Chinese and English.

3）The teaching language for all undergraduate programs is **Chinese**.

Master Programs

School	Major
School of Agronomy	Crop Genetics and Breeding
	Crop Cultivation and Farming System
School of Plant Protection	**Agricultural Entomology and Pest Control***
	Plant Pathology*
	Pesticide Science*
School of Horticulture	**Olericulture***
	Pomology*
School of Forestry and Landscape Architecture	Ornamental Plants and Horticulture
	Urban and Rural Planning
	Forest Tree Genetics and Breeding
	Science of Forestry Cultivation
	Forest Management
	Forest Protection
School of Animal Science and Technology	Aquaculture
	Animal Genetics Breeding and Reproduction
	Animal Nutrition and Feed Science
School of Veterinary Medicine	Clinical Veterinary Medicine
	Preventive Veterinary Medicine
	Basic Veterinary Medicine
School of Tea Science	**Tea Science***
School of Food and Nutrition	Food Science and Engineering
	Nutrition and Food Hygiene
School of Life Sciences	The Rearing of Special-Type Economic Animals
	Biology*
School of Resources and Environment	Ecology
	Pesticide Science
	Environmental Science and Engineering
	Agricultural Resources and Environment
School of Engineering	Mechanization Engineering
	Agricultural Mechanization Engineering
	Agricultural Water and Soil Engineering
	Agri-biological Environment and Energy
	Agricultural Electrification and Automation

School of Materials and Chemistry	Forestry Engineering
	Chemistry
	Textile Science and Engineering
School of Information and Artificial Intelligence	Computer Science and Technology
	Intelligent Science and Technology
School of Economics and Management	Applied Economics
	Science of Business Administration
	Agricultural and Forestry Economics and Management
School of Humanities and Social Sciences	Chinese Language and Literature
School of Marxism	Basic Theory of Marxism
	Marxist Sinicization Studies
	Ideological and Political Education

Doctoral Programs

School	Major
School of Agronomy	Crop Science
School of Plant Protection	**Plant Protection***
School of Horticulture	**Olericulture***
	Pomology*
School of Forestry and Landscape Architecture	Forestry
School of Animal Science and Technology	**Animal Husbandry***
School of Veterinary Medicine	Animal Pathogenic Biology
School of Tea Science	**Tea Science***
School of Food and Nutrition	Storage and Processing of Horticultural Products
School of Life Sciences	**Biology***
School of Resources and Environment	Ecology
	Agricultural Resources and Environment
School of Engineering	Agricultural Engineering
School of Materials and Chemistry	Forestry Engineering
School of Information and Artificial Intelligence	Agriculture and Bioinformatics
School of Economics and Management	Agricultural and Forestry Economics and Management

Note: Majors marked with an asterisk (*) are available with English-taught programs.
